

Roger,

We have had some Elks complain that they were not able get a room on-line for Thursday night. I checked with the hotel and they suggest calling the hotel directly for a reservation for Thursday night with no problem at the Elk's rate. The block for Thursday night is sold out but they will reserve a room via phone call at 757-523-1500 or 888-245-2617.

If you could somehow get this info on the web page, it would be helpful for the Elks who have to come in early for meetings on Thursday afternoon or for the golfers on Friday morning.

Thank you,
