

Front Royal Lodge 2382 hosted an awards ceremony for our 2010-11 Americanism Essay Winners on March 23, 2011. All six finalists were in attendance with approximately 75 family members showing their pride and support. Also attending were 6 teachers and a principal of some of the schools represented. After enjoying all the food that had been prepared, our Americanism Chairman, Linda Kroll awarded each winner with a certificate and savings bond. The winners also read their essays.
