Alexandria 758 Feeds the Homeless

Alexandria 758 feeds Lunch to the Homeless Monday thru Friday. We open our doors from 12:00 noon until 1:00 pm and provide a full lunch for approximately thirty or more. The meal

is prepared by our lodge and served by lodge volunteers and by others that come from five different churches who have dedicated their time to help us in this great opportunity to provide for our community.

The ROCK was established in 1997 by the late Jim “Jimbo” Estep. The acronym stands for “Route One Community Kitchen”. The sign on the door was crafted and donated by Jimbo himself. God Bless PDDGER Jim Estep!

This charitable program has been most fulfilling for our lodge since its beginning. Alexandria 758 will continue to strive to better our community and provide offerings to those less fortunate and in need.
