RE: Elks National Foundation

Dear Donnie:

Congratulations on ending the year as the second leading Lodge in the competition for highest per capita contributions to the Elks National Foundation among Lodges of 1 to 300 members. You were second only to Virginia Beach Lodge No. 2268. In fact, Newport News Lodge finished with the third highest per capita in the entire United States among all 2,057 Elks Lodges at \$64.206 per member.

As a former Chairman of the ENF Board of Trustees, my hat is off to the members of Lodge No. 315.

Sincerely and fraternally,

Lester C. Hess, Jr.
