

Arlington-Fairfax 2188 Delivers Food to Reagan USO in July

Arlington-Fairfax Lodge 2188 Veterans Committee members made four frozen food deliveries to the Reagan National Airport USO facility in July. On July 2nd, 17th, and 31st, eleven boxes of frozen sandwiches were delivered. We added an additional delivery of six boxes on July 10th to restock the freezer after heavy holiday weekend traffic. PER Patti Graves (pictured with USO volunteers) made the July 2nd and 31st deliveries. The July 10th and 17th deliveries were made by committee members Donna and Dale Crisp.

The frozen food deliveries for the USO are an on-going program that is made possible by monetary donations from many Lodge 2188 caring members and the Freedom Grant. This program fills the USO freezer storage and provides meals or hearty snacks for our active duty military and military veterans and their families who enjoy the hospitality of the airport lounge while waiting for their flight connections.

Future frozen food deliveries to the USO lounge are scheduled for August 14th and 28th, 2015.
