The five students pictured above attended the dinner and ceremony. Each will receive a \$1000 scholarship from the Lodge. Their names were forwarded to the district and state for further consideration in the Most Valuable Student Scholarship Program. Kristina Hu received the Prenzel Scholarship established by Lucia Prenzel in honor of her parents, John and Evelyn Prenzel. This is a Lodge scholarship. You may have read about Kristina in the Washington Post and other local media for her academic achievements in mathematics while a student at Thomas Jefferson High School.
