

Arlington-Fairfax Lodge 2188 has the Real Santa

Santa Claus, better known as VEA Veterans Services Chairman and PER at Alexandria Lodge, **Don DeLap**, has been visiting children with Spina Bifida at the Arlington-Fairfax Lodge Children's Christmas Party for many years. His last visit was Dec 11, 2011. Imagine the delight of every child to sit on the 'real' Santa's lap! Thank you Don for your generous spirit!
