

Bedford 2844 Initiates One New Member, Wishes Happy Birthday

Bedford 2844 Exalted Ruler Nancy Owen presided over her first Initiation on Tuesday May 3 at a Bi Monthly Meeting of the Bedford Lodge. There were twenty-four members present.

The new member, Sharon Zimmerman Delong, shared with the membership that she

works for the Bedford Bulletin and enjoys her children and family very much. She is excited about becoming an active member of the lodge. She has volunteered to serve in the Social Quarters during opening hours. She also has joined the Committee that prepares and sends children to the Virginia Elks Association Youth Camp. After the Initiation and meeting all were

invited to share in food and refreshments.

Our Chaplain for many years, Sally Winoker, was surprised by everyone singing "Happy Birthday" and helping her celebrate her ninety years of youthfulness.
