## 2009 Gratitude Grants

Make sure your Lodge doesn't leave money on the table. Applications for 2009 Gratitude Grants are due May 31. Gratitude Grants are available to all Lodges that reached the GER's 2009-10 per-capita goal. If your Lodge reached the per capita, make sure they take advantage of this great opportunity!

## Are You Attending the Grand Lodge Convention in Orlando?

### Make Time for the ENF

Be sure to make time for the ENF during the Grand Lodge Convention July 5-8. We'll be hosting fundraising and programs workshops, including one on our Impact Grants. Everyone is welcome! All events will be held at the Peabody Hotel directly next door to the Convention Center.

**Share Your Ideas Fundraising Workshop** The "Share Your Ideas" workshop is intended to help you learn from your peers. If your Lodge's fundraising strategies have been successful, please come share your ideas. If you're looking to improve your Lodge's per capita, this is a great chance to learn what has worked for other Lodges. You don't have to be an ENF chair to attend—everyone is welcome! We are offering two sessions to accommodate everyone.
