

# Front Royal 2382 Uses ENF Grant for Community Programs

Front Royal 2382 used the 2016-2017 Elks National Foundation Gratitude Grant for several programs. One thousand dollars was donated to Samuels Public Library in Front Royal to help fund the Children's Summer Reading Program. Their funds had been cut and they were very thankful for the support. One hundred bicycle safety helmets were purchased to be used for the DARE Programs with the Warren County Sheriff's Department. Boxes of VEA Safety Glasses were delivered to Randolph-Macon Academy in Front Royal and Triplett Tech and Central High School in Shenandoah County. These are just more ways Elks National Foundation is helping us support our communities.

← Michal Ashby accepting the donation from Dennis Henline on behalf of the Library.

Warren County Deputy Larry Funk accepting the helmets. →

← RMA Middle School Principal, Derrick Leasure, accepting safety glasses.

Career and Technical Education and STEM Supervisor Katie L. Rice accepting safety glasses at Triplett Tech. →

← Agriculture Teacher at Central High Mandy Curry accepting safety glasses from Dennis
