

Front Royal 2382 Uses ENF Grant to Feed Seniors and Veterans

Front Royal 2382 used the 2016-17 Elks National Foundation \$2,000 Beacon Grant to feed seniors and veterans in the community. Dennis and Linda Henline shopped for days for all the food.

Names of deserving seniors and veterans were obtained thru Shenandoah Area Agency on Aging in Front Royal. Elks Charlie Miller, Jane Wine, and Dennis Henline, along with his grandson, delivered totes of food, personal, and household items to twelve homes. Evelyn Ricci delivered gift bags with personal items, snacks, and puzzle books to seniors and veterans in two nursing homes.

All of the above were homebound and very appreciative. There were many tears and hugs. Six Elks worked approximately sixty hours on this project.
