

Hampton Elks 366 Presents Wii Programs and Games to Vets

Thanks to a \$1,000 Gratitude Grant from the Elks National Foundation, the Hampton Elks Lodge #366 was able to present 6 Wii Programs and Games for *therapeutical* and recreational purposes to those Vets at the Hampton VA Medical Center.

Accepting and making the presentation are, from left to right, Judith Curtis, Chief of VA Voluntary Services; then-District Deputy Grand Exalted Ruler Beverly Hamby; DeAnne Seekins, Director of Hampton VA Medical Center; Bill Lenk, Esteemed Loyal Knight and Elks Lodge VA Chairman; Bill Tennis, Elks Lodge Trustee and Past State President; and Benita Stoddard, Associate Director of VA Operations

The Hampton Elks Lodge is also proud to conduct a monthly bingo for various recreational activities throughout the year.

As long as there are veterans, the Elks will never forget them.
