

Harrisonburg 450 Will Pack and Deliver 360 Christmas Boxes

You are invited to Harrisonburg Lodge 450 to enjoy our premier Lodge event of the year. This is truly a memorable and remarkable event. On the evening of December 23 we pack the boxes you see in the picture above with the non perishable food items. We will pack 360 boxes in about a half hour. Light food will be served afterward. Then, early on the morning of December 24, after a breakfast at the Lodge, we will pack the boxes with the perishables like a turkey, eggs, milk, bread, etc and distribute them to Harrisonburg and Rockingham County and parts of Augusta and Page Counties in Virginia and Pendleton County in West Virginia. After the deliveries are complete, we will meet back at the Lodge for a dinner of turkey, dressing, mashed potatoes and gravy, provided by the Lodge. We're usually done by noon. This is not a "members only" event; anyone is welcome to come out and help. This event always seems to instill in all who participate a sense of "The True Meaning of Christmas." Come on out and help us if you can or just come by to enjoy the good fellowship and warm feelings generated by Elks doing what they do best, namely:
