## Letter from Buddy Deese on Elks Training

At the GL Convention in July, the Grand Lodge discontinued the Elks Training Program. There will be no more tests, answer sheets, or certificates from the Grand Lodge. The training can be done within your lodge, however, by compiling questions and answers from the statutes book. The training would definitely benefit the officers and members and make them more knowledgeable of the statutes in the event a problem should arise within their lodge.

Thank you,  
Buddy Deese, Past State Chairman  
Virginia Elks Training
