

# Letter from Tim Frank on North District Hoop Shoot

Roger,

Can you please post the note below on the Virginia Elks Web site about our North District Hoop Shoot?

Thanks,

Tim

Fellow Elks & North District Hoop Shoot Participants,

With the current Winter Storm Watch in effect Saturday morning for several counties within the Virginia North District, I am watching the forecasts very closely and I will be working with friends from the lodges to our North and West to keep an eye on the actual weather out there.

If Fox5 Weather changes the current Winter Storm Watch into a Winter Storm Warning for the areas of Clark, Warren, Winchester City, Fairfax, Fauquier, Prince William or Loudoun before 7:00 AM Saturday morning, or I hear of dangerous road conditions from my fellow elks in those areas, I will postpone our North District Hoop Shoot and notify everyone via e-mail and phone calls to all North District Lodge contacts that I have.

I will make a final determination no later than 7:00 AM Saturday morning. I will send out any updates as soon as possible, but no later than 7:00 AM Saturday morning.

In the event that we do need to postpone the Hoop Shoot, I do not currently have a back-up date. If needed, I will have to work with Park View High School or other venues in my area, to arrange another date, but I'm still hoping & praying that we will be able to hold the event as planned on Saturday.

Weather permitting, I still hope to see all of you Saturday morning, Tim

Tim Frank

North District Hoop Shoot Director
