DON'T BE UNDERINSURED!

ATTENTION!

YOUR LODGE MAY BE UNDERINSURED

- ◆ Our records show that your Lodge building(s) has/have never been surveyed for a Replacement Cost Coverage analysis
- ◆ These surveys, or appraisals, are a free service to the Lodge, as part of the Property Plus Insurance Program
- ◆ In the event of a major or total loss, you may not have enough insurance to replace or rebuild in a manner sufficient to serve your needs
- ◆ The Property Plus Insurance Program contains a Capped Replacement Cost feature (CRCC) that provides additional coverage for your building(s) in the event of a covered loss
- ◆ To qualify for the CRCC feature, your building(s) must be insured to at least 80% of the replacement cost
- ◆ It is quite possible that the amount of coverage you currently carry on your building(s) is sufficient to qualify for the CRCC feature however, to determine that, you must have a Replacement Cost survey performed
- ◆ To order a survey, simply call our office at 1.800.421.3557 or contact us via e-mail at Deborah_Downey@asg.aon.com

*** Please contact us immediately to avoid being uninsured ***
