

Virginia Lodges Combine to Support “America’s Heroes”

During the weekend of June 3-6, 2011, Manassas Elks Lodge 2512 and Woodbridge Elks Lodge 2355 provided encouragement and support to twenty-five of “America’s Heroes” and their caregivers of The Forever Young, Senior Wish Organization of Collierville TN visit to the Nation’s Capital to see the War Memorials and other Monuments in and around the Washington DC area.

On Friday night Lodge members along with other local Veterans organizations met these Heroes at their hotel and visited for the evening. After welcoming these Veterans the Elks returned to Manassas Lodge to prepare the weekend’s bag lunches. On Saturday morning Gil Vale, North District Deputy Grand Exalted Ruler, Manassas Lodge 2512 and Barry Alderman, Past Exalted Ruler, Woodbridge Lodge 2355 delivered bag lunches consisting of sandwiches, drinks, fruit, cookies, snacks along with plenty of cold bottled water to drink. The Veterans spent the day visiting the World War II, Korean and Vietnam memorials in Washington DC.

Again on Sunday the Lodges delivered bag lunches, snacks, fruit, water. As the Veterans departed for their visit to Arlington Cemetery the Elks began preparation for the weekends closing events. Upon their arrival at the National Museum of the Marine Corps the veterans departed the bus through an honor column from the Young Marine Regiment and were greeted by members of Woodbridge and Manassas Elks Lodges and Boy Scout Troop 1390.

The group reluctantly departed Washington DC on Monday tired, but satisfied in accomplishing their goal. Many of the veterans’ commented on the help and support the Lodges provided with comments ranging from “Everything was just perfect” to “We will never forget the way you honored us”. Lodge members were merely humbled and in awe of these “Living Legends” of our past.

Virginia Lodges Honor “America’s Heroes” during Flag Ritual

Manassas Elks Lodge 2512 and Woodbridge Elks Lodge 2355 performed the time honored Elks Flag Ritual in an early celebration of Flag Day. Twenty-five of “America’s Heroes” from The Forever Young, Senior Wish Organization were in the DC area and

as Woodbridge Lodge 2355 Exalted Ruler, Mary Louise Mawn said “It only seemed fitting to perform this ritual early to include these hero’s from World War II, Korea and Vietnam.”

As the ritual opened with the singing of the National Anthem all activity on the grounds of the museum stopped and viewed the historic flags whipping in the breeze and the Young Marine Regiment at present arms. Emotions flowed to the surface as each flag from the Nation’s history was paraded by Boy Scout Troop 1390 and was lovingly placed into their base behind the station of the Exalted Ruler.

Many of the individuals, in attendance, commented that this opportunity to honor America seemed extra significant with the inclusion of both our past hero’s from World War II, Korea and Vietnam and the country’s future leaders from the Young Marines and Boy Scouts. Mark Horigan, Manassas Lodge 2512 Exalted Ruler stated “This is what Elk’s do: Honor our Veterans and help prepare the country’s young to be suitable replacements” and “what a better way to accomplish this than by including these organizations as part of this ritual here in front the National Museum of the Marine Corps”.

Emotions flowed as Esquire, Barry Alderman, PER, Woodbridge Lodge 2355 received the flags from each of the three stations and delivered them to “America’s Heroes”. When the Veterans passed the flags to members of Boy Scout Troop 1390, it felt as if their knowledge and patriotism was being passed to the next generation of America’s leaders.
