Martinsville 1752 Entertains Veterans with Blackjack Game

Martinsville 1752 attended the VA Summer Carnival at the VA Hospital in Salem, VA and manned four tables to deal black jack to the veterans present. Dealers were Nick Brunner, Ryan Canada, Michael Kyle, and Robert Stegall. These guys dealt hands of black jack for two hours and the tables stayed busy the entire time. They were given chips when they beat their dealer and used those chips at the carnival's prize station.
