## Martinsville 1752 Helps With Area Schools After Prom Events

Martinsville 1752 used a \$1500 promise grant to donate \$500 to each of our area high schools' after prom events. Elk members worked the events held in April and May. The after prom events are events held to promote safety after the Prom at each high school – for an alcohol free, drug free event. There are games, prizes, bucking bronchos, inflatables, bingo, black jack, etc. throughout the night.

Elk members who worked the events were Tim and Sandy Gary and Willie and Lisa Martin at Bassett High School; Jay and Amy Stout and Mike and Jackie Scaffidi at Martinsville High School; and David and Brenda Bryant and Tammy Hankins at Magna Vista High School.
