

More Donations for Pulaski Tornado Relief

More donations for the Pulaski Tornado Relief are coming in. I would like to thank Arlington-Fairfax #2188, Manasas #2512, Lynchburg #321, Danville #227 and Pulaski #1067 for their generous donations for the Pulaski tornado recovery fund. It is great that Elks like these make a difference, not only in their communities but throughout the State of Virginia. A total of \$1,271.00 was presented to Assistant County Administrator Robert Hiss April 27, 2011. Thanks to everyone!
