# North District Hoop Shoot Postponed due to Bad Weather

Fellow Elks and Hoop Shoot participants,

With the changes to the Winter Advisories now including more of Northern Virginia in the ice predictions, and after talking to several Elks from the lodges to my West, I have decided it's best to be cautious and to postpone the North District Hoop Shoot.

We will try again on Saturday Feb 4th. All Hoop Shoot logistics, except for the date, will remain the same as before. Breakfast & Registration at Loudoun Lodge 10:00 AM, Brief rules meeting and shooting order drawing at 11:00 AM. Adjourn to Park View High School to start the actual shooting at approx 12:00 Noon

I really wanted to try and stick to the original plan, but with ice accumulations, it just sounds too dangerous. And it's unfair to anyone traveling any distance to be asked to wait until early tomorrow morning to see what it's going to be like at that time.

I hope to see everyone in two weeks at the Hoop Shoot.

If any Lodge directors have updates or changes to the list of kids participating with the date change, please forward them as soon as you can.

Sorry for the delay,  
Tim
