Onancock 1766 Honors Veterans with Pinning Ceremony

Onancock 1766, along with Intrepid Hospice and Virginia Department of Veterans Services, was honored to have the Eastern Shore of Virginia Veterans Pinning Ceremony here at our Lodge. There was a great turn out of forty-five Veterans and family members attending. There was entertainment and lunch was served after the pinning ceremonies.

Local community organizations often host pinning ceremonies where veterans can be honored and thanked for their service to our country. Each veteran is pinned and given a certificate of gratitude for their service.
