

Dictionary Project

Petersburg Lodge 237 has completed the Dictionary Project. We serviced seven schools and passed out 524 dictionaries to students. The schools that we serviced were all the elementary schools in Dinwiddie (5) along with Matoaca and Ettrick. While we were there we also promoted our programs: Hoop Shoot, Americanism, Scholarships, and Drug awareness.

I would like to thank the following people that helped us out: Eric Hamilton, Craig Marsh, and Judy Brooks. They were all very helpful in this project.
