

Petersburg 237 Uses ENF Grant for Food Baskets, Dictionaries

Christmas Baskets is always a positive activity with our lodge. It is always a pleasure to see people happy at Christmas time. It makes us happy to be able to pass some joy to those in need as we thank the ENF for the funds to do this.

Phil Phillips and Ron Brooks load up Phil's car set for delivery

Boxes of goodies to be delivered

Christmas basket committee: Eric Hamilton, Kenny Frenier, Josie Henderson, Ron Brooks, Jerry Robinson, Carmen and David Fleet

Dictionaries for Third Graders is another project Lodge 237 uses ENF Grant funding to better the community.

Ron Brooks delivers and distributes Dictionaries to Third graders at one of the four local schools.

Drug Awareness programs and presentations and displays are another good community service of Petersburg 237

The children enjoy playing the games we set up on different occasions. We hand out the drug awareness literature. They ask questions and we give them positive answers to encourage them to "say no to drugs!"
