COST:

Please help with the Picnic cost; Donation \$5.00 per person at door.

This is a time in which we can hear first hand what our Navy is doing to protect borders and shipping lanes and what it is doing for the families of those who are stationed the world over. This special group of Navy and Civilian personnel do so much to enhance the life of those Navy families in need, and to also help them acclimate to their new communities, i.e. Petersburg, Colonial Heights, Hopewell, and surrounding counties of Dinwiddie, Chesterfield, and Prince George. Hope to see you there, bring a guest, have fun, and show how:
