

# Portsmouth-Chesapeake Lodge No. 82 donates \$250 to Oasis Social Ministry.

L to R: Vicki Kincaid and Gerry Matoon

Located in Portsmouth, Oasis is a private, not for profit, charitable corporation, whose mission is to provide comprehensive services to the homeless and the less fortunate in Portsmouth, Western Chesapeake and Northern Suffolk, Virginia.

Operating uninterrupted since 1970, Oasis has been continuously meeting the basic socio-economic needs of this region. Celebrating 40 years of community service, Oasis was birthed by five local Catholic Parishes. Today it has evolved into an ecumenical multi-service agency committed to helping individuals and families to meet their basic needs and to support their efforts of self-reliance and independence.

Oasis, in partnership with individual donors, local businesses, and several citywide, state and federal agencies works passionately to fulfill its compassionate mission of SERVICE.

Exalted Ruler Vicki Kincaid presented the donation to Oasis' Kitchen Manager, Gerry Matoon, on October 17, 2011. Mr. Matoon was a dinner guest of the Lodge at the annual District Deputy's official visit.
