

Elks Dance Floor Put to Good Use

Recently the Elks Lodge of Pulaski hosted a Zumba Dance Night. In Photograph are Erika Tolbert Director of the Pulaski Country Relay for Life, Lodge Exalted Ruler Jim Chitwood , and Andrea Schrader Zumba Instructor. The Lodge facilities were donated to the Relay for Life to promote awareness of the group's mission. The proceeds of the dance night were donated by Zumba Instructor Schrader along with a cash donation by the Pulaski Elks Lodge. Exalted Ruler Chitwood stated the Lodge dance floor has probably seen many dances over the years, from the Charleston, Waltzes, the Lindy, Two Step, Rumba, Stroll, Twist, even the Macarina, but the Zumba is by far the most energetic the boards of the floor have ever felt. He hopes the participants will think about becoming Elks and using this energy in supporting our community. Want to know more about Elks? Send your message to elks1067@psknet.com
