

Message from John Owen, DDGER, Southwest District, by way of Tim Knotts, First Vice President, VEA:

*The community of Pulaski suffered a major blow from mother nature Friday night sustaining over \$8 million in damage as a result of 2 tornados. The damage was sustained in a 4 mile long area 4 football fields wide. The good news is only a few Elks were directly impacted and the Pulaski Lodge was spared any damage.*

*This Elk community needs our assistance to aid those in need.*

*I request that you inform your lodge that anyone who would like to send a voluntary monetary contribution in aid of those in need do so at the following address:*

*Jim Chitwood*

*Pulaski Elks Lodge 1067*

*PO Box 369*

*Pulaski VA 24301*

*Make the check payable to Pulaski Emergency Relief.*

*Thank you for your consideration. The Pulaski community would appreciate it.*
