A Fraternal Organization

August 7, 2011

To: State Presidents, State Secretaries, and State Lodge Activities Chairmen - Area 4

Re: Subordinate Lodge Website Awards Program

The Grand Lodge – Lodge Activities/State Associations Committee will award Subordinate Lodges who keep their members informed and active in Grand Lodge Programs and State local projects through a Subordinate Lodge Website. **It would be appreciated if you would bring this to the attention of the Lodges within your district.**

How will it work? Each State Association would have their own web site contest judged by their **State's Lodge Activities Committee**. They would select the state winner in their respective state, and the winning web site would then be submitted to the Grand Lodge – Lodge Activities/State Associations Committee to compete with winning entries from other State Associations local Lodge website winners. These will be judged for **Content, Design, News, Virtual Home Page** and **Promotion**, (promoting their web site). The sites could earn from one to five star awards. The Star Awards will be distributed through the State Associations.

The States who have committees judging within their own states should be creating their own application form with a deadline that will give them sufficient time to judge their own state and forward the winner to: **Larry N. Tomberlin, 8 Catalpa Lane, Peralta, NM 87042-5320; lt30two@aol.com by **October 1, 2011.****

The computer is the most important instrument to happen since newspapers and television, and more people can be reached than ever before. The web site is where it is. People are constantly surfing their computers for information. This is the place to show what Elkdom is all about, and demonstrate that **"Elks Give from the Heart."**

Sincerely and fraternally,

A handwritten signature in black ink that reads "Howard D. Boyd Sr." with a stylized flourish at the end.
