Update to VEYC “Clean Shave” Fundraiser

Currently we are short on our goal but hope to raise enough funds for our state major project, the Virginia Elks Youth Camp, by Protocol time.

Paul "IB" Dacyczyn has raised \$627.28

Mike "Bald Mike" Winters has raised \$262.50

Iron Belly is ahead in funds but that could change all in the time it takes to write a check!

Remember first one to \$3,000 shaves their beard, if we raise a total of \$5,000 both will shave in March at Protocol. AND, if we have the funds raised some lucky person will be able to make the first snips of the scissors!

If you have been meaning to make a donation, here is your reminder message. Please make checks payable to VEYC. Please mail to:
