This communication is to advise you that the next meeting of the Virginia Elks Association, Board of Directors will be on Saturday, January 9, 2010 at the Charlottesville Elks Lodge. The meeting is scheduled to begin at 10:00 a.m.

If you are unable to attend this meeting, please have your Exalted Ruler designate in writing himself or a Lodge member to represent your Lodge for this particular meeting. Please use the form letter provided by me at the beginning of the Elk year. Be it known that each Lodge Youth Camp Director or their representative is required, by our By-Laws to attend both the annual and fall Youth Camp meetings.

The purpose of this meeting will be but not limited to receiving reports from the Executive Board Officers, Camp Director, Camp Ranger and Maintenance Director. If you have a matter you wish to present to the Board, please advise me so that I may include it in the Order of Business.

This is a public meeting open to all members in good standing who wish to attend.

Looking forward to seeing you in Charlottesville.

Fraternally,

Robert E. Ward
