

# VEYC Camping Season Week 1 Report

**Virginia Elks Association Youth Camp  
Millboro, Virginia**

July 13, 2015

Hello Virginia Elks!

I am happy to report that the Virginia Elks Youth Camp has started with zero glitches and is running smoothly. We have several returning counselors and the transition to this camping season has been seamless from last year to this year. Our Camp Director, Donald "Tuck" Tucker, has been updating regularly the progress of camp to the Executive Board and the kids are having a blast.

We had 63 girls at camp last week and if you have not 'liked' the camp Facebook page, please do so. (Link provided below). You will find the status of the daily activities of the campers, including kickball, swimming in the Cowpasture River, chow time, S'mores & snacks, Campers of the Week, and talent night winners plus all the daily activities. Parents can also 'check-in' on their kids and know they are having the time of their lives. The pictures also include emotional goodbyes from camper to camper and counselors. This truly represents that the kids are making memories to last a lifetime. You can be proud that

as a Virginia Elk you have helped to do this for a child who may have never had this experience!

Special shout out to 4th Vice President Dave Kelly, Hampton #366, for providing the amazing shots and videos that we will be able to use as a marketing tool to parents and Elks. This is such a valuable tool and resource for giving parents a feel of the camp and a sense of security of where they will be sending their children. We hope each lodge uses this tool to help promote camp! Who wouldn't want to spend a week in this beautiful place?

Thanks to the lodges listed below who sent a total of 63 girls to camp last week. On to Week 2 of the girls session!
