Please see the VEYC Building Report below for the projects that are needed this year. Even if your Lodge has little or nothing to do, it would be great if a few people came out to help pick up the slack for the other projects. As most of you know, it is always a fun weekend. For those Lodges that are planning on coming out on another weekend, we would appreciate it if you also attempted to pick up other work that remains.

Food for the 19-21 weekend:

Hampton 366 will be providing the food for the weekend. The cost will be \$30.00 if you arrive on Friday the Nineteenth and \$25.00 if you arrive on Saturday the Twentieth. It's a great menu with steaks, meatloaf, hot dogs, hamburgers, and full cooked breakfasts. You **MUST** have reservations in to Dave Kelly (davekelly@live.com) by May 12 (Mother's Day). Just remember that if you make a reservation that it must be paid for when you arrive. The chefs need to purchase the food and we do not want them to come up short.
