

VEYC Summer Camp Schedule Correction

**Virginia Elks Association Youth Camp
Millboro, Virginia**

VIRGINIA ELKS YOUTH CAMP, INC.

In an effort to give the campers and staff a free 4th of July weekend, the VEYC Board of Directors pushed the camping schedule ahead one week. Upon review it was noted that this pushes the last camping week into the beginning of school for a large number of the campers and staff. We are therefore forced to move the schedule back one week to begin the first week of July 2016. The new schedule is attached and is also published on the web site. We apologize for any inconvenience this may have caused.

Also, remember that camper application packages must now be downloaded from the VA Elks web page. They are machine fillable and may then be printed for signature. Please insure that all forms are completed and signed before you send your campers to camp.
