Virginia Beach 2268 Cleans Up for Edmarc Hospice April 13

On April 13, 2014, Virginia Beach Elks performed their semi-annual cleanup of the Remembrance Garden at Edmarc Hospice for Children in downtown Portsmouth, Virginia. 13 Elks and two smaller helpers raked leaves, replaced flowers and bushes, and spread 11 yards of new mulch. This cleanup is done in the spring and fall of every year and is funded by money received from the Elks National Foundation Gratitude grant. Lodge members even assisted the Boy Scouts who were building a covered swing set. Virginia Beach Elks always look forward to doing this heart-warming event.
