Virginia Beach 2268 Donates Supplies to StandUp for Kids

Virginia Beach 2268 recently finished their Promise Grant 2014-15 year with a donation of much needed work clothing and hygiene packs to StandUp For Kids-Hampton Roads. Our lodge partners with StandUp in order to supply a hot meal in a safe family setting every second Saturday of the month. We also provide encouragement and supplies to help these young people who live on the streets, helping them transition from the streets to job or school so that they can break the cycle of homelessness.

Present in the attached photos are the leadership and counselors from StandUp for Kids as well as 2268 members ENF Grant Coordinator Teri Linardich, ENF District Chair Steve Sabin, Steve Polk, PER Paul Shoemaker, and Past Virginia Elks Association State President Beverly Hamby.
