All Proceeds Benefit Veterans

Virginia Beach 2268 Members recently held their Twentieth Annual Vet Run benefiting Veterans programs in the Tidewater area. Although inclement weather kept some participants away, those who attended had a great time on the run that included a party with live music, food, and beverages after the run. Trophies, created by Lodge member John Sumner, were presented for best poker hand, worst poker hand, youngest rider, oldest rider and biggest group.

The event raised over \$2000 for Veteran's Charities.
