More of the Honorees

The men of Waynesboro 2270 honored the women of the lodge at our Ladies Appreciation Luncheon. Twenty-eight Ladies

The cooks and servers

attended the Luncheon wearing their festive hats. The men prepared and served the meals to the Ladies. When the Ladies arrived, they were offered cocktails or wine with the appetizers. The luncheon menu consisted of shrimp cocktail, homemade chicken salad in pineapple boats, cabbage and kale salad, and green beans. There was an assortment of breads with cheddar cheese and chive crackers. For dessert, cheesecake with strawberry topping was served. While dining everyone enjoyed the music from a local harpist, who played for the Ladies for the entire Luncheon. The Ladies enjoyed themselves and were most appreciative of the Luncheon.
