

The Winchester VA Elks Lodge 867 Celebrated Veterans day with an all you can eat Veterans breakfast.

They also gave a class to a local Boy Scout troop on the history and meaning of the American Flag.

The Winchester Elks lodge members took the Shenandoah Valley Young Marines to the Martinsburg WV Veterans hospital to assist with the 5K run. The Young Marines were stationed with a Veteran throughout the race route. They also assisted with the Hospital Third Annual Homeless Veterans Stand Down by busing in the Veterans to receive medical care, clothes, blankets, sleeping bags, haircuts and a free lunch. The Young Marines assisted by routing Veterans to the chow hall, taking tickets for free haircuts, serving lunch and cleaning up tables.
