

I would like to thank everyone for making the first Take Back Day a huge success. This would not have happened without the Elks lodge spreading the word. We had Frederick County Sheriff Lieutenant Al Sibert and Drug Enforcement Administration Detective Steve Smith on hand to receive the prescription medications and The Shenandoah Valley Young Marines on hand to direct traffic and pass out red ribbons along with drug awareness pamphlets. We took in approx 175 to 200 pounds of prescription medication.

THANK YOU

William & Kim Molitor

Elks drug awareness Chair
