On behalf of Winchester VA Elks lodge 867, my family and I travelled this weekend to Shanksville, PA for the unveiling of the Flight 93 Memorial. It was a very solemn ceremony with many family members attending along with some high profile VIPs. One person who attended the event with me was Mrs. Pennsylvania 2011 Dawn Hicks. I met Dawn at the Armed forces Foundation Congressional Gala back in March. Dawn served nine years in the United States Air Force with a tour in Afghanistan. She now works for the Pentagon DIC department and is getting ready to possibly deploy again. On behalf of the Winchester Elks lodge 867 we presented Dawn with an American Flag for her service to our country and for helping to bring awareness to supporting our troops. The Memorial still needs ten million dollars to reach completion. If you are willing to help, go to http://www.honorflight93.org/ for more information.
