Robert Nelson, PER, Leading Knight, North District Esquire, and a McGuire VA Hospital employee visit with a Veteran during Woodbridge Lodge's visit.

Members of Woodbridge Elks Lodge 2355 visited our hospitalized veterans at McGuire Veterans Hospital. While there they visited the nursing home ward and the hospice facility and delivered playing cards from the Elks Playing Card Program and canteen books for the veterans' use in the hospital's exchange and commissary. This is the Lodges 26<sup>th</sup> consecutive year visiting McGuire. Exalter Ruler Mary Louise Mawn commented that "You prepare yourself for what you are about to witness," but, "It seems the Veterans here raise your spirits more than you raise theirs."
