VIRGINIA ELKS YOUTH CAMP

May News Letter

By Jay Bonnell, President

Well May has finally arrived. That means camp will be open for the children in a little over a month. Hopefully that means that most of you have your campers lined up and paperwork started. Remember, that the girls go for the first three weeks and the boys for the last three.

We will have our Board of Directors meeting on Saturday May 19th at 10:00 AM. The meeting will be at the camp. We have a lot to go over, so please plan on attending.

The septic tank installation for the dining hall should be completed by this time. The Charlottesville Lodge is planning on having their work weekend also on this weekend. Their plan is to start some of the demolition of the back corner of the dining hall where the Handicapped bathrooms are going to be. Those attending the meeting are more than welcome to help with this or other cleaning projects that need to be done after the meeting.

At this time I would like to officially thank the Richmond Lodge for their generous donation of \$5000.00 for the Youth Camp. I sincerely apologize for not thanking you sooner. I would also like to thank all the other Lodges who donate throughout the year with all of their fund raisers and Queen of Hearts games. Without these donations, it would be very hard for the camp to operate. Again, THANK YOU.

“Remember, YOU can make a difference.”
